

He leads me to paths of righteousness

Opening

How would you describe your path in life?

The broken path

Read Romans 3:10-12

Why is it that we cannot seek God on our own?

Looking back upon your journey before you came to faith in God, what were the things that held you back from knowing Jesus?

A path restored

Read Isaiah 53

Isaiah prophesies a sinless servant who would restore the people of Israel and in hindsight we come to know it is Jesus Christ who has come and died for our sins.

Why did Jesus have to suffer in order for God to forgive our sins and restore our path to life?

How does Jesus' suffering described by Isaiah, especially his death on the cross impact on how you live your life today?

The path to life

Read 1 Peter 2:9-11

Do you take seriously the call to be part of a Holy nation?

What does this look like in your personal life, family life and church life?

How do you display God's mercies in your relationships?

Application

Together praise and thank God that he has brought you out of darkness into his wonderful light.
